

Autism ID Handout Card Template

This handout can be used to help during interactions with law enforcement. Please remember, if possible, to teach your child to ask permission before reaching for the handout. You can also help them practice different ways to notify law enforcement that they have this information ID.

Instructions

1. Fill in required information
2. Print
3. Cut-out front and back
4. Place on card stock and laminate
5. Keep card in wallet
